WORK AREA SAFETY CONES

18-inch Cones:

- Ideal for indoor use in hallways and gymnasiums
- Perfect for marking wet floors or temporary hazards
- Easily stackable for compact storage in classrooms or janitorial closets

28-inch Cones:

- Versatile size for both indoor and outdoor applications
- Suitable for marking off areas during school events or assemblies
- Effective for creating temporary queues in cafeterias or bookstores

36-inch Cones:

- Excellent visibility for outdoor use in parking lots and driveways
- Ideal for directing traffic during student pick-up and drop-off times
- Useful for marking sports field boundaries or outdoor event spaces

42-inch Cones:

- Maximum visibility for high-traffic areas or locations with limited sight lines
- Perfect for use along campus roads or intersections
- Effective for large outdoor events or emergency management situations

Pedestrian Crosswalk Signs

Ideal for protecting pedestrians and school children in crosswalks. Frame and base separate upon impact minimizing damage to sign face and base. Standard and custom legends available

According to the National Highway Traffic Safety Administration (NHTSA), more than 25,000 children are injured and over 100 are killed every year in school zone accidents. These accidents are often caused by speeding drivers who fail to yield to pedestrians.

SAFEGUARD PEDESTRIANS AND SCHOOL CHILDREN IN HIGH TRAFFIC CROSSWALKS

DURABLE DESIGN:

- FRAME AND BASE SEPARATE UPON IMPACT, MINIMIZING FRAME AND PANEL DAMAGE
- EASILY REPLACE PANELS, FRAME, AND BASE IF HIT OR DAMAGED

IMPROVE CAMPUS SAFETY AND EFFICIENCY WITH TEMPORARY ROLL-UP SIGNS

Traffic control temporary roll-ups offer a versatile solution for schools and colleges. These portable and easily deployable signs can effectively manage traffic and pedestrian flow during school hours, events, and emergencies.

Temporary sign stands and roll-ups are equally valuable for managing traffic and pedestrian flow during various events, incidents, and unexpected disruptions.

Their quick setup and removal make them ideal for both indoor and outdoor use, ensuring a safe and organized environment for everyone involved.

Durable, Visible, Customizable

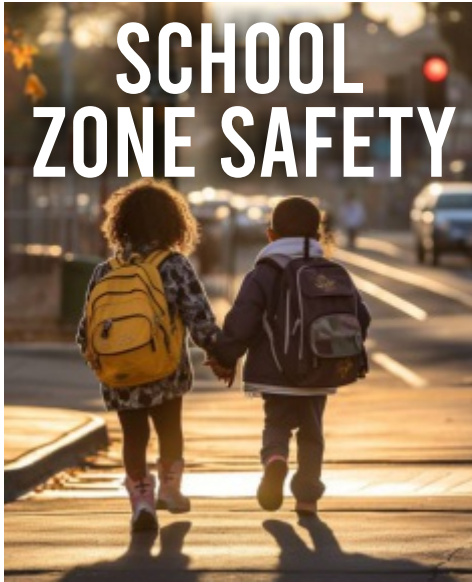

The combination of a folding sign stand and a roll-up sign offers an unparalleled level of convenience and efficiency for temporary traffic control.

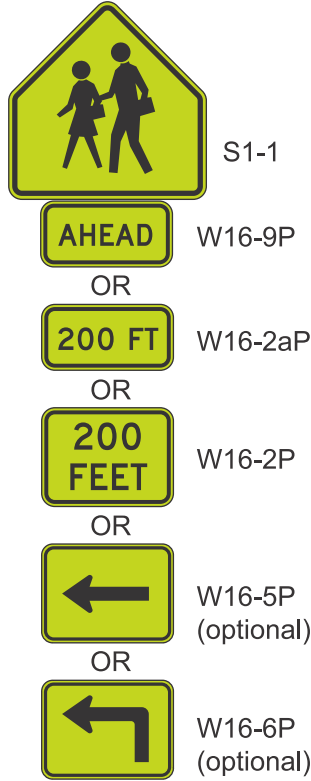

This innovative system is designed to be compact, sturdy, and incredibly easy to deploy.
