

**APEX
RECOIL**

THE NEXT GENERATION OF SIGN STANDS

- MASH TESTED
- MADE IN THE USA
- DIRECT DRIVE DURABILITY
- FIELD TESTED & PROVEN RELIABLE IN 1000'S OF WORK ZONES

FEATURES

APEX Recoil Stands available with a standard base and Coil-Flex Single Spring which provides wind-deflection and lateral stability in all conditions.

The 3-position, 2-piece telescoping legs adjust for maximum stability on uneven terrain and road shoulders. Legs available in Short (38" extended) -or- Long (50" extended).

Roll-Up Signs attach to the Stands with universal Spin-Handle™.

Apex Recoil Series Stands are MASH 2016 Accepted for use with all Roll-Up Signs.
