

RoadMax

9100 SERIES

Our durable orange barrels are designed to withstand the rigors of daily use and provide clear, visible guidance to drivers. Easy to set up and move, traffic drums are a safe and reliable solution for any construction or road maintenance project. Protect your workers and improve traffic flow with traffic drums today.

FEATURES

- Rounded ergonomic handle for easy access with a comfortable grip
- Recessed reflective band tiers for long-lasting protection of sheeting
- Four anti-rotation claws will keep drums facing traffic
- Built-in sheeting edge protector guards against wear during stacking
- Five-tier design for better visibility in heavy traffic
- Double light mounts on handle for added convenience

- Domed top sheds debris and water
- Ribbed bottom lip for easy base attachment
- Two-piece top & base design allows dragging without separation
- Two-piece breakaway feature allows controlled separation on impact
- UV-stabilized bright orange polyethylene protects from sun damage

Base NOT included; order separately
