APEX-E STEEL SIGN STAND

Introducing the Eastern Metal Signs and Safety Apex Compact-C Steel Sign Stand, This lightweight, portable, and economical stand is designed for effortless setup and takedown.

Built for Efficiency and Affordability:

- **Material:** Steel construction with powder coated metal legs and mast for durability and corrosion resistance
- **Compact folding design:** Folds down quickly and fits easily in vehicles or storage spaces.
- **Kick-lever leg release and spin-handle sign attachment:** Enables setup and takedown in seconds, even with one hand.

MODEL	MATERIAL	WEIGHT	OPEN SIZE	STORAGE SIZE	EXT. LEG
APEX-E	STEEL	18LBS.	22 X 27 X 43	6.5 X 7 X 23.5	38.5

Safety and Visibility You Can Trust:

- **Anti-skid foot pads:** Provides stability on various terrains, indoors or outdoors.
- **Legs extend:** maximum visibility, even in uneven terrain.
- **3-level leg height adjustment:** Optimize sign visibility and stability
